

Newsletter January 2012

So 2012 is here at last... Happy New Year to one and all!

I trust you all had wonderful Christmas and New Year celebrations
The last few months have been rather quiet at the club and on the water,
hardly surprising considering how cold and windy it's been.

2012 Calendar

We have the AGM coming up on Friday 3rd February, 7pm at the Club house, I would encourage everyone to attend, as this is when nominated members are voted onto the committee, and all other aspects of the club are reviewed.

We currently have a few vacancies on the committee so if you would like to join and help out with the management and running of the club, please register your interest with us before 20th January 2012, you can either send an email to communications@wfwsc.co.uk or send a txt to 077 6258 3520

Then there are the joining weekends to prepare for, where I'm sure we will see all of you ready to sign-up for another years fun on the water. These are to be Sunday 1st and 15th April from 9am to 4pm, further details will be send out in due course and the revised fee structure will be discussed at the AGM.

Social

The Dinner and Dance was once again a great success this year, even if the DJ did seem to be stuck in the eighties... Thank you to Sue Morrell and everyone else that helped organise the event.

Judging by the photos on facebook everyone had a fantastic time, if you haven't seen them yet login and have look.

Maintenance

We have completed some maintenance works over the last few months, the wash bays have been improved by removing the mud and gravel between the concrete stands and replacing with new stones to aid drainage, and both the pontoons have had all the loose or missing docking cleats and buffers reattached.

Thanks to Rob Koyas and all those that helped.

If you have any other comments or suggestions please feel free to contact the committee by emailing communications@fwsc.co.uk

All the Best
